

Constructed in 1980 and redeveloped in 2004 this amazingly versatile indoor stadium is one of New Zealand's most popular venues for sporting events, conventions, exhibitions, functions and entertainment events. From netball internationals to conference dinners, motor shows to indoor equestrian spectacles, Tina Turner to the NZ Symphony Orchestra, Arena 2 can cater for an enormous variety of events. With an occupancy use rate that regularly exceeds 90% it is deservedly New Zealand's most popular indoor multi events facility.

Distinctive laminated polished timber beams are an appealing feature of the extensive 3,400 square metre open span interior. With an ability to accommodate up to 5,000 people, Arena 2 comprises an extensive array of convenient features and amenities.
